

KNOWLEDGE ORGANISER Year 1		Vocabulary	
Addition & Subtraction within 10			
What I should already know: Recall number bonds up to 5 (including subtraction facts) Recall some number bonds to 10 Compare numbers and say which is more Partition a number of things into two groups, and to recognise that those groups can be recombined to make the same total Understand 1 more than / 1 less than consecutive numbers	Add, addition, plus +	To combine two or more numbers or quantities to get one number called the sum or total.	
	fact family	For example, $3 + 2 = 5$ $2 + 3 = 5$ $5 = 3 + 2$ $5 = 2 + 3$	
	take away -	To take one quantity away from another.	
	What I should know by the end of this unit: Find and make number bonds within 10 Number bonds to 10 Addition – add more Subtract – take away/cross out Find a part	equals =	The sum or whole amount

Number Bonds

$5 - 0 = 5$  $5 + 0 = 5$

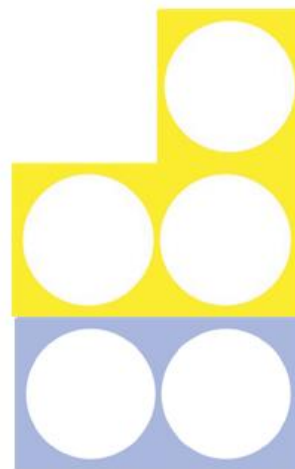

$5 - 1 = 4$  $4 + 1 = 5$

$5 - 2 = 3$  $3 + 2 = 5$

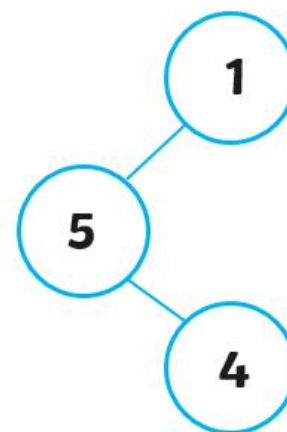

$5 - 3 = 2$  $2 + 3 = 5$

$5 - 4 = 1$  $1 + 4 = 5$

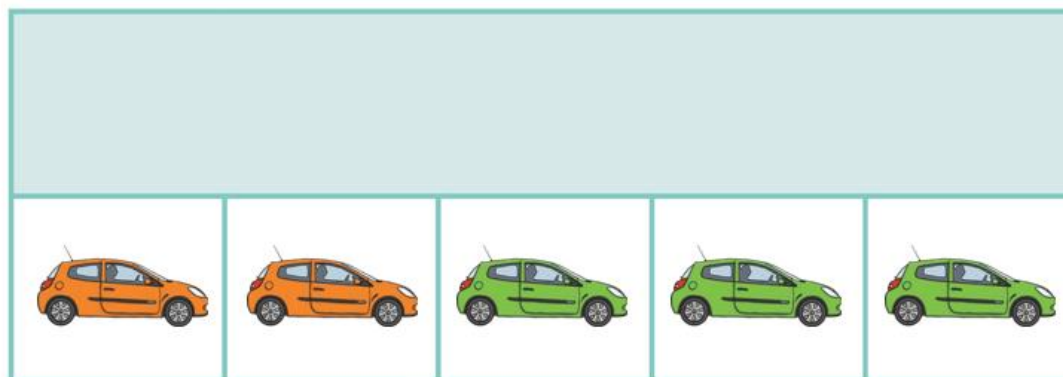

$5 - 5 = 0$  $0 + 5 = 5$

$3 + 2 = 5$

$5 = 1 + 4$

First Then Now

$5 - 3 =$

$8 - 5 = 3$

$4 + 3 = 7$

$4 + \underline{\quad} = 6$
