

KNOWLEDGE ORGANISER		Year 1	Vocabulary	
Shape			2D shape	A flat shape.
			3D shape	A solid shape.
What I should already know: I will have: Built with and played with shapes Joined shapes together Talked about and explored 2D shapes and 3D Shapes Selected, rotated and manipulated shapes Made and decomposed shapes			side	Lines which form the outline of a 2D shape.
			corner, vertex	2D shape - Where 2 sides meet to form a point. 3D shape – where 2 or more edges meet.
			straight	
			curved, round	
			face	A surface of a 3D shape
			Circle, square, rectangle, triangle	Names of 2D shapes.
			Cube, cuboid, pyramid, sphere	Names of 3D shapes.
What I should know by the end of this unit: Recognise and name 2D and 3D shapes Make pattern with 2D and 3D shapes				

sort 2D shapes

Name 2D shapes
square

triangle

rectangle

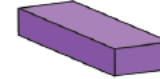

circle

Name 3D shapes
cube

cylinder

Cuboid

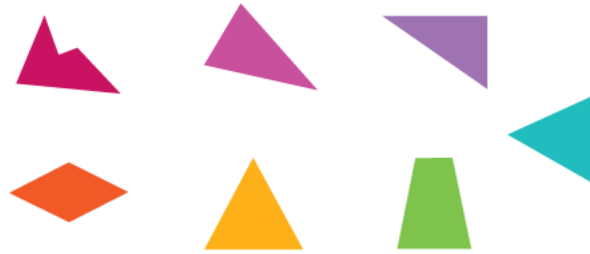

sphere

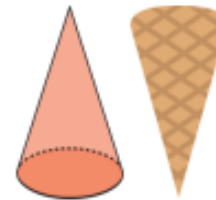

Use objects and shapes to make patterns

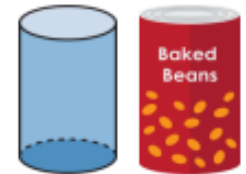

Circle all of the triangles.

Recognise shapes in
different orientations

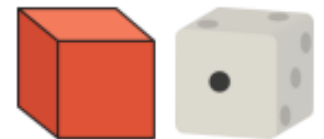

cone

cylinder

sphere

cube
